

CALLING ALL PPSA MEMBERS!

Have you ever wanted to become more involved in the inner workings of your range? Do you have any special skills or training that would benefit the organization as a whole? Do you just really like the PPSA range complex and have a desire to give back to the general membership? Well, now is your chance!

The Prickly Pear Sportsman's Association currently has three (3) open Board of Director positions. Upon election by the general membership, Directors serve a three (3) year term. Duties of a Director include attending all scheduled Board meetings, voting on policies and procedures that govern our ranges and general membership, helping organize and complete range projects, sitting on PPSA committees, and helping host annual activities and special range events.

If you have the time to dedicate to the Board and the desire to continue to make the PPSA one of the finest ranges in Montana, then we would love to hear from you. The 2023 Officer and Board Member elections will be held:
