WHAT TO EXPECT

Shooting 2 Targets *25 rounds per Target*

- This is a bench rest competition for Standard .22 rifles that are scoped up to a maximum power of 6.5.
 - Variable power scopes capable of more than 6.5X will be set at 6.5X and sealed by the coordinator prior to the match.
 - Unmodified factory rifles. The term "factory rifle," refers to any rifle that is routinely manufactured in quantity for sale to and is readily available to the public. The total value of the rifle, exclusive of sights shall not exceed \$620 MSRP.
 - Shooting will take place at 25 yards and using rests must be such that the rifle can be vertically lifted from the rest and the Front and Rear rests cannot be connected in any way. i.e., any movement of the rest must be completely independent of each other. Shooting bags are optimum.
 - Targets used for the competition will be the IBS Rimfire. This target consists of three (3) or four (4) sighter bulls and twenty-five (25) bulls for scoring. The outside diameter of the "LO" ring is one-half inch..
 - The time allotted to shoot this target is 20 minutes. Any number of shots may be fired into the sighter bulls. One shot each will be fired into the 25 scoring bulls
-
